Response to Restriction

United States Patent and Trademark Office  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Restriction dated July 17, 2007, Applicant herewith  
herewith elects the group I claims 2-16, 18-19, and 22-32 with traverse.

The grouping of claims is traversed, and it is believed that all of claims 38-40/44-  
45 (group 4) and 59-61(group 6) are either not properly restrictable from group I or are  
within the elected group. Reasons follow.

Elected claim 8, for example, defines a web server producing a web page, and  
wherein "said web server ... hosts auctions".

Claim 38 is a method of hosting a web page for auctions, and is believed not  
properly restrictable from claim 8.

Claim 59 defines a method of maintaining a web site and is also not properly  
restrictable from claim 8.

Therefore, and in view of the above amendments and remarks, all of the claim  
should be in condition for allowance. A formal notice to that effect is respectfully  
solicited.

Please charge any fees due in connection with this response to Deposit Account  
No. 50-1387.

Respectfully submitted,

Date: 8/16/07
